Substance Use Disorder Trainings

NH Healthy Families is pleased to offer the following Substance Use Disorder trainings in October. Trainings are live webinars. You may register for both or just one session. Continuing education information is located below.

A Discussion of Medications for Opioid Use Disorders

A discussion of Medications for Opioid Use Disorders will review the evidence for buprenorphine in the treatment of Opioid addiction. This overview will demonstrate the integration of evidence based treatment in multiple medical settings and offer participants an opportunity to explore how best practices can be implemented.

Date: October 14, 2021

Time: 10-11:30 AM

Please utilize the link below to register (pre-registration is required):

<https://attendee.gototraining.com/r/5919189379395420929>

Continuing Education:

- One (1) continuing education hour provided for *A discussion of Medications for Opioid Use Disorders* via National Board for Certified Counselors (NBCC)*
- Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

*Centene has been approved by NBCC as an Approved Continuing Education Provider (ACEP) No. 6673. Programs that do not qualify for NBCC credit are clearly identified. Centene is solely responsible for all aspects of the programs. <https://www.envolveu.com/continuing-education.html>

Your presenter for this training will be Dr. Wendy Welch MD, MBA, CHCQM.

Neonatal Abstinence Syndrome

Participants will review risks for NAS and NOWS, standard of care treatments for pregnant women experiencing OUD, and how providers in NH demonstrate best practices. We will explore stigma and the negative effect it has on outcomes in order to support increasing awareness, educating hospital systems, providers and staff, and improving outcomes for this population.
