

Comprehensive Assessment Access User Guide

The comprehensive assessment tool in our provider portal gives you the ability to check on a patient's assessment completion status for the Health Risk Assessment Screening (HRA), the Notice of Pregnancy (NOP) if applicable, and more. Below is a step-by-step guide on how to access and use this important feature as part of the overall care for your patients, our members.

1 Login in to your account at **NHhealthyfamilies.com** ▶

2 From the home screen select **Eligibility** to search for a specific member, or **Patients** to review your patient list ▶

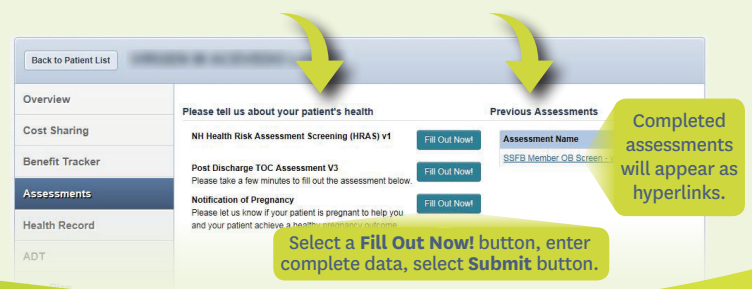

3 From the patients list you can review the alerts for each member by hovering over the colored ovals ▶

4 Once on the patient's overview screen, select **Assessments** from the column on the left. Any available assessments for this member will appear as well as Notice of Pregnancy NOP (if gender and age appropriate) ▶

5 This screen allows you to review items available to the member to complete as well as previously completed assessments ▶
