NH Healthy Families Teams Up with NH Fisher Cats to Support Granite YMCA with \$10,000 Donation for *Base Hits for Kids*

Bedford, NH – NH Healthy Families is proud to continue its partnership with the New Hampshire Fisher Cats and the *Base Hits for Kids* program for the fifth consecutive year. For every base hit by the Fisher Cats players during the 2021 season home games, NH Healthy Families made a financial commitment to the Granite YMCA.

On August 7, NH Healthy Families Plan President and CEO, Clyde White presented Granite YMCA with a check for \$10,000 during the Fisher Cats home game for all the qualifying base hits this season.

“We are pleased to return to the ballpark this year to celebrate *Base Hits for Kids* and our long-standing partnership with the New Hampshire Fisher Cats,” said White. “We are delighted to support the great work of Granite YMCA, an organization aligned with our focus on improving the overall health of New Hampshire’s youth.”

“We are grateful to NH Healthy Families for its generous contribution to the Granite YMCA,” said Lisa Bernard, Executive Director, Londonderry Branch. “The funds will fortify key programs that support our youth members throughout the state.”

Also attending the event was Broose the Moose, the NH Healthy Families mascot, who threw out the first pitch of the game. To celebrate, foam moose antlers were distributed to over 100 Granite YMCA members and their families who attended the game.

“NH Healthy Families has become synonymous with *Base Hits for Kids*” said Fisher Cats President, Mike Ramshaw. “We are thrilled to see baseball back in New Hampshire, and we look forward to continuing this strong partnership well into the future.”
