Medicaid Annual Eligibility Renewal

September 30, 2021

The services you provide to our members are crucial in maintaining their health and wellbeing. To ensure they continue to receive coverage, Members are required to verify their eligibility. Please remind your patients the importance of completing the eligibility verification process.

Members Need to Complete:

1. Members received a pink letter from the New Hampshire Department of Health and Human Services that explains how to verify Medicaid eligibility. Members can also visit www.nheasy.nh.gov to get the details on their renewal.
2. It's very important that members follow through on the instructions, or risk having their coverage cancelled.
3. If the members' eligibility is confirmed, they can continue their existing coverage.
4. If the member is no longer eligible for Medicaid, NH Healthy Families does have another product called Ambetter which they could look into. They can learn more at ambetter.nhhealthyfamilies.com

Thank you for partnering with NH Healthy Families. Please contact Provider Services at **1-866-769-3085** with any questions.
