Pharmacy Network Change *Effective July 8, 2019*

May 1, 2019

Effective July 8, 2019, Walgreens and its subsidiaries will no longer be in the NH Healthy Families pharmacy network for the Medicaid populations. Please note, this change only affects Medicaid members; it does not affect Ambetter members. Most other retail pharmacies continue to be in our pharmacy network.

We are notifying members of this change and asking them to transfer their prescriptions or request a new prescription be written and sent to their new pharmacy before July 8, 2019.

If you need to search for other pharmacies in our network, our website contains a Find-a-Doctor tool. Go to NHhealthyfamilies.com and click on "Find a Doctor". Then, click on "Start Provider Search". You can also go directly to the tool by typing: providersearch.nhhealthyfamilies.com.

If you have any questions, please contact Provider Services at **1-866-769-3085**. Our staff is here Monday through Friday from 8 AM to 5 PM, EST.

Thank you for your participation in our network and for your dedication to the health and welfare of our members.

Sincerely,

NH Healthy Families
