Foundation *for*  
Healthy Communities

# our mission

To offer free and unbiased navigation services to people in New Hampshire looking to obtain health insurance coverage. NH Navigator assists people with options through Medicaid and the Federal Marketplace.

**we cover  
all nh  
counties**

**Our Navigators  
cover the entire  
state virtually &  
telephonically!**

# how can NH NAVIGATOR help you?

NH Navigator can play an essential role in assisting and enrolling your people in NH's public health insurance options.

We provide **FREE & UNBIASED** essential support by helping individuals and families understand their choices, enroll in the right plans and access subsidies.

# **nh medicaid & CHIP**

**NH Medicaid offers health care coverage to eligible low-income individuals, families, seniors and people with disabilities.**

**To qualify, applicants must meet income and residency requirements, which vary by program offered (such as CHIP, long term care, or expansion for low-income adults). We are here to make the process simple and straightforward.**

## **ELIGIBILITY**

**Navigators can determine where someone falls on the Federal Poverty Line to determine their eligibility based on family size and income.**

## **ENROLLMENT**

**Navigators are skilled in the process of applying through the NH Easy Platform - with all its nuances.**

## **MCO KNOWLEDGE**

**Navigators maintain relationships with all three Medicaid MCOs in NH and keep up to date on the perks and benefits of each one!**

# ACA Federal Marketplace

**Our team goes through rigorous CMS-Certification processes in the ACA Marketplace so that they can provide unbiased assistance and guidance on this platform. We provide unbiased support to help individuals and families compare plan options, complete applications and determine eligibility for financial assistance through tax credits & cost sharing reductions- helping people make the best decisions for them and their families.**

**NH Navigator understands how plans work with New Hampshire's unique hospital systems and provider networks, ensuring that enrollees choose coverage that includes their preferred hospitals and doctors.**
