CDI Webinar Series:

Stronger Documentation. Smarter Coding. Better Outcomes.

Join us for interactive sessions designed to sharpen your documentation and coding skills.

- ✓ Decode risk adjustment with real-world examples
- ✓ Strengthen documentation to reflect true patient complexity
- ✓ Stay compliant with evolving guidelines
- ✓ Collaborate | Learn | Elevate your practice

Live educational sessions designed for providers, non-physician practitioners, coders, billers, and support staff. Accurate documentation and coding start with a knowledgeable team.

AAPC CEU APPROVED

Per AAPC "This program has the prior approval of AAPC for one continuing education hour. Granting of prior approval in no way constitutes endorsement by AAPC of the program content or the program sponsor."
Note: To qualify for CEU credit, participants must **register in advance and attend at least 75% of the webinar**. CEU credit may be earned **only once for each webinar presentation**. Attending the same webinar more than once does not qualify for additional CEU credit. Use the registration link provided to view available sessions and register. Registration links are unique to each session. *Questions or need help with registration? Email CDIWebinars@centene.com.*
