## Ambetter Fee Schedule Name Change

January 17, 2020

Thank you for your partnership with Ambetter from NH Healthy Families. We appreciate your partnership as we achieve our shared goal of delivering quality, accessible, and affordable healthcare to our members.

Effective January 1, 2020, the fee schedule name will change from Payor Medicare Fee Schedule to **Payor Fee Schedule**. This is to differentiate it from the traditional Medicare fee schedule and avoid confusion. Both schedules provide the same reimbursement, so this change will not have a financial impact.

This name change only applies to the providers whose agreements are executed after January 1, 2020. Existing documents that have the earlier language of "Payor Medicare Fee Schedule" will not need any changes.

Please don't hesitate to reach out to Provider Services at 1-844-265-1278 with any questions you may have.

Sincerely,

Ambetter from NH Healthy Families
