NH Healthy Families and NH Fisher Cats Team Up with Base Hits for Kids, Supporting Boys & Girls Clubs of NH

Bedford, NH – NH Healthy Families, a New Hampshire-based managed care organization, continues its partnership with the NH Fisher Cats, supporting the *Base Hits for Kids* program. Through *Base Hits for Kids*, NH Healthy Families commits financial support associated with every base hit by the Fisher Cats players during home games. Proceeds support the Boys & Girls Clubs of NH.

The program runs throughout the season with a celebration in August during which NH Healthy Families announces its total annual donation. During the August 23 Fisher Cats home game, NH Healthy Families Plan President and CEO Jennifer Weigand presented the Boys & Girls Clubs of NH with a check for \$10,000.

“The *Base Hits for Kids* event has become the highlight of our summer,” said Weigand. “We are delighted to again partner with the Fisher Cats for such a worthy cause benefitting the Boys & Girls Clubs across New Hampshire.”

More than 500 Boys & Girls Clubs members and their families attended the August 23 game.

“NH Healthy Families is an organization that is continuously finding ways to support the youth of New Hampshire,” said Fisher Cats President, Mike Ramshaw. “We’re proud to have such a strong community partner for the *Base Hits for Kids* program.”
