

REWARDS PROGRAM

We want to help you have good health. Taking care of your health makes you feel better. You can also avoid more serious health concerns. We give you an additional reward for completing certain healthy activities . . . dollar rewards! There are no fees or cost to you. It's our way of celebrating your choice to have better health.

Earning rewards is easy! When you make certain healthy choices, reward dollars will automatically be put on your CentAccount rewards card. The rewards are added approximately two weeks after we receive the claim for the healthy behavior. If it's your first reward, a card will be mailed to you. Remember, this card is not a credit card. It already has funds on it. Keep the card after you use it. As you earn more rewards, they will be added to this card.

Earn rewards by completing the following healthy activities:
