Substance Use Disorder Provider Resource Line: 1-432-940-8026

The NHHF Substance Use Disorder (SUD) Case Manager provides you support in real time and directs you to the information or resources appropriate for the patient's treatment. The SUD Case Manager may provide any or all of the following services and resources:

- A fast assessment of your current patient's situation to determine the correct level of care. NHHF supports and has resources in-network for all four ASAM levels of treatment.
- Fingertip access to available care resources and the ability to make immediate referrals with no prior authorizations.
- Optional conversations on the spot with the patient if needed.
