Updated Home Health Payment and Clinical Policies

Effective September 15, 2018

The following new policies will be applied as medical claims reimbursement edits with our claims adjudication system for the NH Healthy Families Medicaid product. This is an addition to all other reimbursement processes that NH Healthy Families currently employs.

The effective date for the below policies is **September 15, 2018**.

- Home Health Criteria for Habilitative Services, Private Duty Nursing, and Personal Care Attendant Services (Clinical Policy)
- Home Health Care (Payment Policy)

These policies are developed based on medical literature and research, industry standards and guidelines as published and defined by the American Medical Association's Current Procedural Terminology (CPT®), Centers for Medicare and Medicaid Services (CMS), and public domain specialty society guidance.
