## Prior Authorization Update: Effective August 1, 2022

May 27, 2022

Effective for dates of service including and after August 1, 2022, NH Healthy Families will require prior authorization from all providers for the services listed below.

J0741	Injection, cabotegravir and rilpivirine, 2 mg/3 mg
-------	--

Prior authorization can be requested through the Secure Portal or by completing the forms on **nhhealthyfamilies.com** and faxing to the health plan. You can also use the Pre-Auth Needed Tool located on the NH Healthy Families website under Provider Resources to check authorization requirements.

We understand the importance of easy access to care, and we are committed to ensuring our prior authorization requirements continue to be appropriate and efficient.

Please contact Provider Services with any questions at 1-866-769-3085.

Thank You,

NH Healthy Families
