Non-Emergency Transportation

Remember: Use Family and Friends or Public Transportation First!

Helping you get to your non-emergency medical appointments is important to us. There are three easy ways you can access transportation.

1. Family and Friends Transportation Reimbursement

Use this option if you have a car, or when a friend or family member with a car can drive you to your medically necessary appointment. Receive reimbursement for gas, parking and tolls. Here's how it works:

- **Beginning on September 1, 2020, Family and Friends Transportation Reimbursement will be provided by Medical Transportation Management, Inc. (MTM) through the MTM Currency program.**
- **Before your appointment, call MTM at 1-888-597-1192 to schedule your transportation reimbursement trip**
- **Watch the mail for your Focus Card™ Cardholder Packet.** For security, the packet will come in a plain white envelope. The envelope will have an Indianapolis, Indiana return address. Do not throw the packet away. This could delay receiving funds.
- **Use a Trip Log to track your travel.** MTM will send you a Trip Log or you can print and download a log at www.mtm-inc.net/mileage-reimbursement. Enter your zip code to find the correct log. Complete the log and have your provider sign it for each appointment. Once you submit your log (you have 60 days to submit), MTM will verify the information. Funds will be loaded to your Focus Card™ after your trip is verified.

Send your completed log to MTM in one of three ways:

Mail: Medical Transportation Management, Inc.
16 Hawk Ridge Drive
Lake St. Louis, MO 63367

Fax: 1-888-513-1610

Email: payme@mtm-inc.net

2. Public Transportation

- Before your appointment, call MTM at **1-888-597-1192** to schedule your public transportation trip
- MTM will add funds to your Focus Card™ for your pass or ticket in advance of your trip. Use these funds to purchase your fare online or at a local transit depot.

For more information contact Medical Transportation Management, Inc (MTM) at **1-888-597-1192**.

3. Contacting MTM for a ride

If you are exempt from using Public Transportation or Family and Friends Transportation Reimbursement, you may contact MTM for a ride.

Here's how:

Three days before your appointment, call **1-888-597-1192** for MTM. Share the date and time of your appointment and a ride will be scheduled for you.

Be sure to save your card for future trips. This is not a one-time use card. New funds will be loaded as you take more trips.

To schedule transportation to provider offices or facilities for services provided directly by NH Healthy Families, call MTM toll-free at **1-888-597-1192 (TDD/TTY: 711)**.

For more information, contact NH Healthy Families Member Services at **1-866-769-3085**, Monday through Wednesday, 8:00 a.m. to 8:00 p.m. and Thursday through Friday, 8:00 a.m. to 5:00 p.m.
