WELCOME TO NH HEALTHY FAMILIES

We would like to welcome you to NH Healthy Families. NH Healthy Families provides quality healthcare benefits that are convenient and accessible. Our main priority is making sure you receive high-quality healthcare coverage.

This is your provider directory. The next few pages include information on how to use the directory. Let us know if you need help understanding this. Interpreter services are provided free of charge to you. This includes sign language and real-time oral interpretation. Call our member services line at 1-866-769-3085 (TDD/TTY 1-855-742- 0123).

KNOW YOUR PLAN

As a NH Healthy Families member you may have one of the following types of coverage:

- Standard Medicaid
- Granite Advantage Health Care Program (Granite Advantage)

You can tell which plan you have by looking at your Member ID card. Granite Advantage members' cards will say so on the front of the card. See the picture below:

If the card does not say Granite Advantage; you are a Standard Medicaid member.

All providers listed in this directory are in-network for Granite Advantage members. Some of the providers, listed in the special section called, *Granite Advantage,* are in-network only for Granite Advantage members. Standard Medicaid members may not consider Granite Advantage providers in-network unless they are also listed elsewhere in this directory.

Please note: Except for emergency & family planning, all services must be obtained through plan network providers or pre-approved for out of network providers.

EASY TO USE

Getting NH Healthy Families benefits is easy. We believe the best way for you to keep good health is to develop a good relationship with your family physician. That is why you, and those in your family who are members of NH Healthy Families, select a NH Healthy Families Primary Care Provider (PCP). When you need care, all you have to do is call your PCP for an appointment. Tell them you are covered by NH Healthy Families. It's that simple.

ACCESSIBILITY

If you use a wheelchair, walker, or other aids and need assistance getting into your doctor's office, call your doctor's office before you get there. This way someone will be ready to help you when you get there. If you would like help talking with your doctor about your special needs, call Member Services.

TRANSPORTATION

If you need help getting to your healthcare provider's office or clinic, call Member Services. The number is at the bottom of every page.

TAKING CARE OF YOU AND YOUR FAMILY

We encourage you and your family to make appointments for regular check-ups. Preventive healthcare benefits with NH Healthy Families include coverage for:

- Diagnostic x-rays.
- Laboratory tests.
- Mammograms.
- Eye exams.

FAMILY PLANNING AND PRENATAL CARE

If you need to access family planning services, you can select the doctor of your choice. They do not have to be in the NH Healthy Families network. Some examples of family planning services are:

- Education and advice from trained personnel to help you make choices.
- Information about birth control.
- Physical exams.
- Follow-up visits.
- Immunization services.
- Pregnancy tests.
- Birth control supplies.
- Tests and treatment of STDs (sexually transmitted diseases).

NH Healthy Families may approve visits with your doctor for up to 90 days after he/she leaves the network. We can do this if you are in active treatment with your doctor. Members in the second or third trimester of pregnancy can keep the same doctor until after the first post-partum visit. Just contact Member Services today to coordinate your care at 1- 866-769-3085 (TDD/TTY 1-855-742-0123).

IF YOU HAVE TO BE HOSPITALIZED

If you need hospitalization, your PCP or a Specialist will admit you to a hospital where he/she is affiliated. The hospitals currently participating with NH Healthy Families are listed in the *Hospitals* section of this directory.

IMMEDIATE AND EMERGENCY CARE

With NH Healthy Families, you have access to medical services 24 hours a day, 365 days a year. In the event of a potentially life threatening emergency, call 911, or go to the nearest emergency room. If you are admitted to the hospital, please call or have someone call NH Healthy Families within 48 hours to notify us of your medical situation. Always let your PCP know if you have been hospitalized for any reason.

Some examples of emergencies are:

- Severe pain of any kind.
- Change in mental status.
- Change in neurological status.
- Complications of pregnancy.
- Chest pain.
- Poisoning.
- Acute allergic reactions.
- Severe shortness of breath.
- Abdominal pain.
- Multiple episodes of vomiting or diarrhea.
- Bleeding that won't stop.
- Injuries that cause loss of function to a body part.
- Symptoms of substance abuse.
