

Harm Reduction 101 & Overdose Prevention

A no-cost virtual training for NH Healthy Families providers, presented in partnership with the NH Harm Reduction Coalition.

DATE

Monday, August 10, 2026

TIME

12:00 PM – 1:00 PM ET

FORMAT

Virtual – Register in advance

What You'll Learn

- Core harm reduction principles and why they save lives
- Using engaging, non-stigmatizing, recovery-oriented language
- Current NH and national drug trends (fentanyl, xylazine, and more)
- Overdose prevention strategies and naloxone/opioid reversal basics
- Connecting members to Syringe Service Programs and evidence-based supports
