

Kicks for Kids!

nh healthy families™

FOR PARENTS
OR GUARDIANS!

Eligible to the parent or guardian of members who are ages 1 and 2 years old

How it works:

Take your child at 1 and 2 years of age to complete their lead screening test any time this year and you will be entered to win a **\$50 Amazon® gift card!***

Drawings will be held monthly, a total of 10 Amazon® gift cards* per month.

(If your child or children ages 1 and 2 have already completed their lead screening test this year you will be entered in the next drawing. Winners will be notified by email.)

There's no form to fill out or raffle entry to complete, you will automatically be entered just by taking your child to have their lead screening test.

Remember, with My Health Pays® rewards your child will **earn up to \$25** just for getting their lead screening test!

*Some restrictions and limitations apply. Each member can earn up to \$250 in cash and non-cash goods and services through June 30 each year. Rewards for preventive screenings and services do not apply to the \$250 maximum.

All NH children need to be tested for lead to help them stay healthy.

- 1.** The first test should be completed around the child's first birthday.
- 2.** The second test should be completed around the child's second birthday.

Toxic lead can be in dust, air, dirt, paint, or toys. **A lead screening test is quick and easy** – it can be completed at a child's wellness visit with their doctor.
