

## Suicide Prevention Choose Tomorrow Program

May 20, 2024

NH Healthy Families is committed to preventing suicide and actively works to ensure the safety of our members. As a key partner in this effort, please ensure you are enrolled in and regularly checking your provider portal for assessments conducted by our Care Management Department related to suicide risk. We will reach out to you to discuss and collaborate on the best strategies for keeping members safe and healthy.

As always, if you have a member in need of Care Management Services or have questions about our Choose Tomorrow Program, please contact the Care Management Department at 866-769-3085 or [NHHFCAREMANAGEMENT@centene.com](mailto:NHHFCAREMANAGEMENT@centene.com)

Sincerely,  
NH Healthy Families
