

Provider Benefit Overview

New Hampshire Healthy Families

Effective Date: 10/1/2015

Reference Number: **NH.PBO.01**

NUTRITIONAL SERVICES

Programs

Basic Medicaid
Health Protection Program

Description

Nutritional Services are dietary interventions used to prevent or treat health conditions that are caused by or made worse by unhealthy eating habits or are developed as a result of another medical condition or treatment.

Benefit Overview

Coverage is provided for medically appropriate Nutritional Services provided as extended services to pregnant women regardless of age, when furnished by a registered dietician and prescribed by a physician.

Coverage includes:

- Scientific evaluation of your diet;
- Suggestions for diet modification;
- Nutritional screening;
- Preventive or therapeutic dietary therapy.

Referral, Notification and Prior Authorization Requirements

Prior authorization is not required for Nutritional Services.

Provider Type

Registered Dietician

Contact New Hampshire Healthy Families at 1-866-769-3085 to learn how Registered Dieticians can become a part of the provider network.
